A mixed – media celebration of landscape and fauna

{ Gallery 2 }

Kat is a veterinary surgeon by day but has always enjoyed pushing her creative limits. After discovering digital drawing in lockdown, she has found a way to incorporate painting, drawing, digital art and even embroidery.

She is inspired by the variety and majesty of the NZ landscapes where she often travels with her trusty dog and more recently, less trustworthy toddler. Over time her work is becoming bolder and more colourful; she can't wait to see where this takes her next.
