

## From Scratch - 2024

*Fundraising exhibition of recent drawings by Glen Hutchins.*

My son Ollie has been given the opportunity to study and play football (soccer) in America at Iowa Western Community College. He will be attending classes at the college from August 2024 and will study a major in Exercise Science and Kinesiology while playing football for the college.

Donations received in this exhibition will go towards the travel and study costs to send Ollie to the U.S.A for up to 4 years.

Usually, these works would retail between \$1800 - \$3000.00. This is a one-off opportunity to acquire a work for a donation.

Donations of \$600.00 + for large drawings, \$300.00 + for middle sized drawings and \$200.00 + for small drawings would be kindly accepted.

**SIGNED - Oliver Hutchins - Iowa Western CC**

*Congratulations to Oliver who has committed to Iowa Western for the Fall of 2024. Iowa Western is ranked #9 in the NJCAA and continuously one of the most competitive teams in the country.*

## From Scratch, 2024

*Recent drawings by Glen Hutchins.*

Titles: {from left to right}
